PRINCIPAL'S REPORT

Meet the Teacher Date and Survey

Thank-you for your response to the Meet the Teacher Survey, your feedback is greatly appreciated and will be used to shape the content of the information provided at the sessions which will be held next Monday 25th February.

Session time reminders:

KS & K/1BC	4:00-4:30
Combined in KS classroom (1 st classroom)	
1/2F & 2/3W	4:30-5.00
Combined in 2/3W (4 th classroom)	
3/4M, 3/4E & 3,4,5,6C	5:00-5.30
Combined in 3/4M classroom (5 th classroom)	
5/6W & 5/6B	5:30-6.00
Combined in 5/6W classroom (last classroom)	

A BBQ will be set up at the front of the school – please do not hesitate to come and grab a quick bite to eat either before or after your information session – courtesy of the P&C!

Mathletics

Instead of setting voluntary school contributions I am asking families to pay the subscription fee of \$15 for your child/ren's access to the educational activities of Mathletics. Children will be provided with their password over the next few weeks, I thank those parents/carers who have already paid so quickly after invoices were sent home

last week. Mathletics is used at school and children are also able to access the website at home.

Donation Thank-you's

We are fortunate to live in such a wonderful community who do so much to help the school. Late last year the Culburra Recreation Club donated a sizeable amount of money to support the swim scheme as well as funds to install some more seating around the oval area of the school. Recently the P&C donated \$1000 to support the Stage 3 excursion to Canberra in term 2 as well as providing a BBQ for the Meet the Teacher session. Last week the Culburra-Orient Point Men's Shed donated \$1000 to support students who may need assistance with excursions throughout the year. I would like to say a very big thank-you on behalf of the students and families who will benefit from the generosity of each of these groups – it's amazing.

IRT Visits

IRT visits began last week with class 5/6W visiting last Wednesday. Class 5/6B will visit this Wednesday morning – we are glad to start our term visits for the year as this is a great program for the students, staff and residents of IRT.

Parent Authority Note

Thank-you to parent/carers who have returned the Parent Authority note that was sent home a few weeks ago. The various permissions this note provides is essential for many aspects of school such as publishing, internet use, walking

around the town (such as IRT visits) as well as updating court orders and Scripture preferences. Please return this note to your child's class teacher as soon as possible.

District Swimming

Best wishes to those students who will be attending the District Swimming Carnival on Friday 22nd – we are very proud of your achievement in representing our school at the next level of competition. Thank-you Mr Evans for your organisation.

Tree Families

The Tree Families program is a school developed program to support our students learning and wellbeing. Every Monday afternoon students gather in the Hall in their Tree Family groups (which consists of students from each grade). All staff are assigned a Tree Family group and have built a strong relationship with the children in their group, this helps build a network for students to have an adult that they can trust to help them when they need it. This term we are focussing on developing a positive mindset, not only towards learning but to all aspects of our lives. Yesterday Tree Family time was used to specifically teach all students about what our core values of Safety, Respect and Responsibility looks like in and around our school. We are proud to have a strong, proactive program to support our students in their learning and relationships. Please check-in with your child about this program and what they are learning each week. I have included

a web address that parents and carers can access and join for free, this is a website I use in planning our whole school activities and I find it has great information, learning and parenting ideas and free printable activities that you can do at home.
