### **Staff Development Days 2025 and beyond**

The following is an important update regarding the start of the 2025 school year as well as for the next three years. There will be four Staff Development Days scheduled to support professional learning and teaching preparation for our educators in Term One. These days are

designed to enhance the quality of education by allowing teachers dedicated time to refine their skills, ultimately benefiting our students.

The Staff Development Days will take place on the following dates:

- Friday, 31st January
- Monday, 3rd February
- Tuesday, 4th February
- Wednesday, 5th February

As a result, all students across the state will return to school on **Thursday, 6th February**.

In Term 2 there will be two staff development days at the start of the term, in Term 3 there will be one Staff Development Day at the start of the term and in term 4 there will be one staff development day at the start of the term.

We appreciate your understanding and support of this initiative, which aims to provide our students with the best possible educational experience.

Yours In Education,

## **EXTERNAL SPECIALISTS**

**Parent/carers seeking to have external specialists work on our site with their child need to contact the school via email or a phone call prior to making any arrangements with the service providers.**

Spaces at our school are limited, and our individual class and overall school timetables are the top priority. If service providers contact our school directly, we cannot discuss any arrangement with them as the school has not been provided with consent from parent/carers to discuss confidential student information, I appreciate your assistance managing this process.
