## Principal's Report

**School Choir**

Congratulations to our school choir who did an amazing job at the recent Shoalhaven Music Festival. Like all members of the audience, I was extremely proud of our performance and the performances of all schools, what a great representation of public education. A very big thank-you to Mrs Daniel and Mrs Robertson for all their hard work in preparing our students for their big night!

**Friday Assembly**

A reminder that the last Friday assembly was last week due to the need to prepare for our upcoming school concert. Students and staff are working very hard and I know our school community will be very proud of our students. Burras will still be accrued during this period and will be presented week 1 next term.

**Congratulations Mr Bagnall**

Congratulations to Mr and Mrs Bagnall on the recent birth of their baby daughter - we wish them all the best during this special time.

**Use of Student Department Emails for Third Party Sites**

The department has communicated the follow message regarding the use of student Department of Education emails to sign up for third party sites:

The NSW Department of Education is making an important change to help keep our students safe online, reduce the risk of cyber threats and make sure your student email accounts are used for their intended educational purposes only.

## What's happening

Starting Day 1 Term 4, you won't be able to use your student email address to sign up for, or recover access to any social media, gaming, instant messaging or similar accounts.

## What you need to do

If you have signed up for a social media, gaming, instant messaging or similar account using your student email address, please change to a personal email address on each platform by Sunday 13 October to make sure you don't lose access to the account. Here's how:

- Log in to each account.
- Go to the account settings and update your email address to a personal one. Add a mobile number too, if you haven't already.

## Why this is happening

The department is making this change to ensure all student accounts are being used for their educational purposes, and to help protect you from risks online. Using your personal email address for these platforms instead of your student email address reduces the chances of someone gaining access to information in your school account.

## Term 4

Term 4 begins for both students and staff on Monday 14th October. Term 4 is different to the other terms in that the staff development days occur at the end of the term once the students have completed the year.

## **EXTERNAL SPECIALISTS**

**Parent/carers seeking to have external specialists work on our site with their child need to contact the school via email or a phone call prior to making any arrangements with the service providers.**

Spaces at our school are limited, and our individual class and overall school timetables are the top priority. If service providers contact our school directly, we cannot discuss any arrangement with them as the school has not been provided with consent from parent/carers to discuss confidential student information, I appreciate your assistance managing this process.
